\* times given above are based on working days; first working day is one day after picking up the parcel / shipment

\*\* to ensure above transit times, we require full pack of correct export documentation

\*\*\* procedure of echo pack service in Sweden (Schenker): Sender receives a registered letter from our partner. The letter contains the information how to prepare the parcel for shipment and who is to be informed when it is ready for sending; transit times are counted as of time of picking up the parcel by a driver.

\*\*\*\* ECHO PACK service is provided only for Greek part of Cyprus
